

Thank you so much for your interest in Nordic information.

We are eager to provide you with an amazing dining experience.

Keeping all of you and all of us safe within the parameters of a public place of business is our top priority.

Due to Covid, there have been some changes to the way we do business.

The following Q & A's will answer most if not all of your questions.

We look forward to receiving your reservation soon!

**Q. Is The Nordic open and offering the all you can enjoy buffet?**

A. Yes

**Q. Are all the same items still available?**

A. Yes, we are still offering unlimited lobster, Alaskan King Crab, Snow crab, prime rib, filet mignon, shrimp, oysters etc. etc. Please see the menu page of the website for greater detail.

**Q. Is the food being served?**

A. Yes. Guests still approach the buffets and make their selections, but all food items are served by our trained staff.

**Q. Is there still a 2-hour maximum dining time?**

A. Yes. The table is reserved only for the 2-hour time period selected. A late arrival will likely result in reduced dining time, so a timely arrival is suggested.

**Q. How is The Nordic managing social distancing?**

A. Tables have the state required spacing and the dining room is therefore seated at reduced capacity. Additionally, wherever possible, traffic areas are monitored and spacing between guests encouraged.

**Q. How is your staff helping to keep everyone safe?**

A. All staff members have had Covid training. All kitchen, bar and food service staff members are required to wear masks and have been educated and practice excellent sanitation procedures.

**Q. Are masks required?**

A. Yes. Masks are required when approaching the building and anytime guests are not seated at their table.

**Q. Are reservations required?**

A. Yes, prepaid, nonrefundable, nontransferable reservations are required for the indoor all you can enjoy buffet. This process allows us to expedite the check in process, reduce crowds and minimize waiting time.

**Q. Can I make reservations for a table of 2?**

A. Absolutely! We welcome reservations for all sizes. Tables for 2 however are limited in quantity. If you find no availability for a table of 2, we suggest trying a different date or time or inviting some family members or friends to join you as there may be larger tables available at the desired date & time.

**Q. Can I make my reservation over the phone?**

A. I'm sorry but reservations can only be made online via our website. The only exception is a reservation being paid for by gift coin or card then you must email [Jake@thenordic.com](mailto:Jake@thenordic.com) to inquire about a reservation.

**Q. How far in advance can I make my reservation?**

A. Reservation space is only offered 2/3 weeks out. If your date of interest is beyond that time period, please check back as the date nears.

**Q. The Nordic is beautiful. Can we sit outside to enjoy the buffet?**

A. I'm sorry, the buffet option is only available inside.

**Q. I heard that you can eat outside by the lake? Is that true?**

A. Yes! We offer lakeside entertainment and appetizers. This is a completely different menu and is not the unlimited all you can enjoy option offered inside. Reservations must be made for that dining option via our website as well.
